PAST TIMES

1939 FORD COE

From The President's Desk

What a fantastic swap meet we had this year. I believe it was the best run swap meet we have ever had. I am sure that Jan Sadler will let us know the final figures at the May meeting. We had 91 sellers in total which I thought was a great result. The only downside was we had a lower number of buyers this year. My thanks and congratulations to all of you who participated and helped on the day. The Swan Athletic Club were their usual helpful selves. We are so lucky to have such a good venue. We are also very lucky to have such a wonderful bunch of members willing to help.

In this month's magazine, there is information regarding the upcoming AGM,. A reminder that ALL positions become vacant so this presents a great opportunity for those of you who would like to help with the running of our great club. I do know that there is a small cohort of members who are not necessarily happy with the way the club is running, so now is the time to stop complaining in the background and work with us to continually improve our club by nominating for a position on the Committee of Management. Nominations in writing need to be in the hands of the secretary on or before June 11th once there are nominations in writing there can be none from the floor of the AGM for the position nominated.

You will have all now received your annual membership renewal. Please make sure if paying by EFT, to use the invoice number, your membership number or name, so that we can ensure our records are up to date. Please be reminded that you are deemed to be unfinancial by the DOT if you do not pay by June 30th. Our registrar is obliged by the DOT to send our return in at the beginning of July for non-renewing members.

The workshop is not as busy as it has been in the past so if you want some work done on your classic vehicle, just talk to Bob DeJong and I am sure he will be only too pleased to help you out. Just a reminder that while we do not actually charge for work done, we do expect some form of donation be it cash or a donation of tools or consumables.

We appreciate members bringing in supper on meeting nights, please continue to do so and PLEASE help clean up before we all leave for the night. Shirley and Neville get to meeting nights early to arrange the sausage sizzle and it is unfair to expect them to stay until stumps to clean up.

I look forward to seeing many of you at the May meeting.

Tony Warner
President

Erica's loyal Lancer

1980 – 2024

My first brand new dream car....

Simply the best!!!

Purchased from Dandenong Chrysler in Victoria and driven all the way home to W.A.

This classic 1980 Chrysler Lancer is a stylish 2 door

Alpine white with black trim L 1

The specifications are GL LC liftback 5-speed manual transmission 4 cylinder 1597 cc 1.6 litre

OHC engine and the vehicle category is classified as not modified. Why mess with perfection!?

What I valued most about this all-around reliable car was its versatility, used to transport loads of large logs, driftwood, landscape tools and plants, large concrete garden ornaments, fertilizer, and even the Victa lawn mower.

At times it provided a safe sleeping space for me and my daughter at the Perth Royal Show.

Surprisingly I once won a bet with my Lancer when it climbed to the top of a steep hill with a maximum of Torque of 4000 rev per min. It was easy!!

Thanks to our amazing car club, I have been able to afford to keep my car on a concessional license and on the road. For that, I am extremely glad, as I am able to continue to enjoy driving it every once in a while.

Getting another trophy for the Lancer was kind of cool too!!

Erica Stanley

Swapmeet 2024

A warm, still, morning set the scene for this years swap meet. We were lucky to have such nice weather for most of the morning before the heat set in later in the day.

There was no sign of sprinklers blasting onto the oval or any sleepyheads that slept through their alarms this year!

A steady flow of over 90 sellers and 30 plus display cars made their way through the gates from 6am

The kitchen was buzzing with helpers setting up signs, tables and chairs, food and drinks. The snags and onions were thrown on the bbq and before you knew it, there were queues lining up for a sausage sizzle or a cuppa and a muffin.

Thankfully, it was a quiet day for the first aid post, with no major incidents reported.

Out on the oval, there were plenty of buyers looking for a bargain. A variety of goods for sale, from an antique wheelchair, replica firearms, knitted blankets, pot plants to petrol pumps.

There was a good selection of well presented, display vehicles for us to all admire, from a cruisy HR to a shiny VW.

Under the well setup VAA marquee, volunteers were working hard to promote our club and selling merchandise as well as gathering the votes for the People's Choice Award

All was over by 1130am. A quick cleanup and pack up and the oval was returned to its pre swap meet state, ready for the next sporting event. Thank you to the Swan Athletic Sporting Club for allowing us to host our event on their grounds again this year

Thank you to all the members who helped with the event preparation and to those who volunteered their time to make this swapmeet another successful one. Your hard work is very much appreciated. A special thanks to Tim Allen of Rare Spares who once again provided sponsorship to our swap meet.

Awards

The Ron Perry memorial trophy, for the most original car.

4th pic. The Ron Perry memorial trophy for most original car presented to Erica Stanley by Rons son Jamie, Rons wife Jenny and daughter in law Beth.

Peoples Choice trophy plus a rare spares \$100 voucher presented to Lance Fussel by life member and club librarian Martin Paine.

There were one hundred and seven voting papers placed in the box by the public for people's choice. The Ford 1939 COE received 16 votes, which received the People's Choice trophy and it also included a RARE SPARES voucher. Rare Spares has been a sponsor of the VAA swap meets for many years.

A special award was created when two cars tied at twelve votes. Greter Johnssons Ford 1964 T Bird, Bob Deongs 1954 Chev Convertible, each received a fifty dollar fuel voucher, sponsored by the Tucker Family.

Many thanks to all who helped in making this a success and creating the 2024 VAA Swap meet.

Kind regards Brian Tucker,
Merchandise & Vice President

Monthly Mug Winner

This month's mug of the month winner was Tom, the theme being St Patrick's Day. Starting with a green tea or a green cordial, a romantic dinner of Irish stew followed by a dessert of green jelly or a sticky date pudding with a mug of Guinness.

Happy days

Merchandise Brian Tucker.

About the car on the cover

People's choice, 1939 FORD COE. This has been rebuilt with Ford components that are readily available. The COE is a credit to Lance, the club would like to thank him for bringing it to the April monthly meeting, and for the talk regarding some of the trucks history

Car, coffee and cakes

Thursday 18th April 2024 at the Coffee Hut, Great Northern Highway, Herne Hill.

Fifteen members turned out for a most enjoyable morning at our monthly Cars, Coffee & Cakes morning tea at the Coffee Hut in Herne Hill.

Robert Cannon came in his GT Falcon, Russell Nielson in his WB Panel Van, David Billing in his 1957 Chrysler Royal, Tom Polich in his FX Holden, Erica Stanley came in her 'Original' Award-winning Chrysler, and Rob Popiel in his Jensen Healey.

Run to Carco Raceway

Saturday 13th April

We only had Robert Hyde, Tony Warner, Loris Cooper and Jack and Diane Mc Cracken travel to Carco Raceway to see Peter and Jackson Callo race. A pity, because the meet was very eventful. The first race was a Holden HQ race where one competitor spun out going into turn two and got T Boned by another competitor. This held up racing for a while as they had to clear the track.

Peter's Nissan was very competitive. He made his way through half of the field after starting last on the grid. Jackson on the other hand, was on the front row having qualified second. He is a very competitive young man. He broke the lap record in his class and was literally pushing the lead car going into turn two, I do not know how these guys can drive so fast and be so close to their fellow competitors. I am informed that they reach speeds up to 220kph on the long straight.

Peter and Nadine must be so proud of their sons' achievements and how nice it was for Peter to have his two daughters, Claudia and Elle, there to support them both.

FJ Holden

I have been asked many times what has happened to the FJ Holden, It is currently waiting patiently at the trimmers for a roof lining and other bits to be trimmed.

Can't rush these restorations or will overheat the credit card .

Cheers to all.
